Step 3: Copy SI Email and SI password Login to the IBM Cloud Account

The screenshot shows the IBM Cloud Dashboard for user THARUNKUMAR A. The dashboard includes a sidebar with navigation options like Build, Use Continuous Delivery, Build a web app with Watson Speech to Text, Get Started with Watson Studio, Build and deploy Node.js apps, and Build a Lift and Shift workload. The main content area displays a 'For you' section with various recommendations and a 'User access' section with a 'Manage users' button and a text input field for email addresses.

This screenshot shows the 'User access' section of the IBM Cloud dashboard. It features a text input field for entering email addresses, a 'Manage users' button, and a 'News' section with links to 'IBM Cloud Satellite New Pricing', 'IBM Cloud Data Shield Deprecation', 'IBM Watson Orchestrate Is Integrating with ThisWay Global', and 'SLSA Support in IBM Cloud Continuous Delivery'. The 'Planned maintenance' section is also visible, showing a 'View all' button and a 'Clear skies!' message.
